July 3rd, 2023

Dear Parents/Guardians,

Smith Vocational and Agricultural High School will once again offer an after school homework help program during the 2023-2024 school year. The program will begin on Tuesday, September 12th and run through Thursday, June 7th, 2024. Homework help will be available to all students from 2:15-3:15pm Monday through Thursday, with the exception of early release days and school vacations/holidays. The program will be held in the A building library. Students who take advantage of this program can expect homework support in all academic areas. There will be a licensed teacher on staff each day along with an experienced paraprofessional.

Students will be expected to stay for the entire after school session unless parents provide a note for early dismissal. Students participating in after school sports are exempt from this policy. If a student is dismissed early from the program, they must leave campus. No student can be on campus unsupervised after school hours. This is a school-sponsored program, so students will be subject to the rules and expectations of Smith Vocational and Agricultural High School while participating in the program.

Smith provides single-day passes for the PVTA, which can transport students to bus stops in Williamsburg, Hadley, Easthampton, and Holyoke. Please refer to the PVTA bus schedules for more information at <http://www.pvta.com/>. Families are responsible for making arrangements for transportation home from the school or PVTA bus stops.

If you have any questions about this program, please contact me at 413-587-1414 x3478 or at mparks@smithtec.org. We look forward to your child's participation in this year's after school homework help program.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Parks".
